

About Us

20/20 Captioning & Reporting provides open and closed captioning services, onsite and remote CART services, many types of webstreaming/webcasting, as well as court reporting and transcription services. Our team of Nationally Certified realtime writers are experienced at projecting captions to the Jumbotron as well as displaying captions to a projection screen in smaller venues. To learn more about our services, please visit our [Services page](#).

C. Jeanette Christian is the founder and president of 20/20 Captioning & Reporting. Jeanette is a Nationally Certified realtime writer with over 20 years of experience and holds the following certifications: CSR, RPR, RMR, CRR, CBC, CCP, RDR. Jeanette has provided CART services at many conventions throughout the United States, including: Alexander Graham Bell, Deafway II, Americans with Disabilities Act Symposium, Self Help Hard of Hearing, National Council on Independent Living, and National Association of the Deaf. Jeanette is also experienced in capturing verbatim testimony of expert witnesses and works closely with those in the legal community.
