

Our Services

At 20/20 Captioning & Reporting we are dedicated to providing equal access for individuals who are deaf or hard of hearing as well as meeting the needs of the legal community. We are committed to providing our clients with the following:

- Excellent service: We go the extra mile to meet your needs.
- Dependable results: We deliver when we say we will.
- Exceptional accuracy: We get the words and the timing right.
- Cost effective solutions: Our services are designed to fit your budget.

Please see a list of our services below:
